

MD JUEL CHOWDHORY JOY

Electrical & Electronics Engineer

Address: Kochstraße 23, 52080 Aachen, Germany.

Mobile No: +8801923696355

E-mail: juelchowdhory24@gmail.com

Career Objective: Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

Employment History:

Total Year of Experience: 09 Year(s)

1. Company Name: Lithe Group

Designation: **Electrical Engineer** (4 November -2023 To Continuing)

Location: Shirir Chala, Bager Bazar, Gazipur.

Responsible: Hand on Operation, Maintenance & Troubleshooting of Motor and Production all Machine and Industrial Sewing & Non-Sewing Machine PCB Repairing Juki, Brother, Jack, Durkopp Adler, Redsun, Sunstar, ISM, Ho Hsing, Zoje, SMPS, Needle detector, Heat Seal, Snap Button, Fusing Machine, fabric Inspection Machine, PLC's, VFD's, Solenoid, Pneumatic, hydraulic actuators etc. different type of PCB Circuit Board Repairing & Servicing.

1. Ensure all electrical equipment are operational and maintained as per as standards.
2. Ensure that a full preventative maintenance plan is established and adhered to through day-to-day Schedule maintenance activities.
3. Responsible for the overall maintenance of the factory for any electrical issues including sub-station as well as other machinery.
4. Ensure preventive maintenance of boilers, generators & all compressors for undistributed supply.
5. Capable of making electrical diagram and understand all electrical diagram.

2. Company Name: Palmal Group of Industries

officer - Electrical & Electronics (3 October 2021 – 3 November 2023)

Company Location: 9/kha, Confidence Center, Progoti Sharani, Gulshan, Dhaka-1212, Bangladesh

Department: Maintenance Department

Duties/Responsibilities:

I perform the technical part of Electric & Electronics on industrial machineries. I am working through the corporate head office Based maintenance team to providing support to all production unit of 22 projects in different areas of the group. I do trouble shoot of all sewing, non-sewing, washing, and embroidery machineries.

3. Company Name: SOHAG ENGINEERING & TRADE

Designation: **Service Engineer** (September -2017 to October -2021)

Location: Samir Uddin Super Market (Near of Exim Bank), Board Bazar, National University, Gazipur-1704.

Responsible: Industrial Sewing & Non-Sewing Machine PCB Repairing Juki, Jack, Durkopp Adler, Redsun, Sunstar, ISM, Ho Hsing, Zoje, SMPS, Needle detector, Heat Seal, Snap Button, Fusing Machine, fabric Inspection Machine, PLC's, VFD's, Solenoid, Pneumatic, hydraulic actuators etc. different type of PCB Circuit Board Repairing & Servicing.

4. Company Name: SAID ENGINEERING & CONSULTANTS

Designation: **Electrical Engineer** (February-2016 to August -2017)

Location: House No. 47, road No.3, Shymoly, Dhaka-1207.

Responsible: Install and maintain wiring, control, and lighting systems. Inspect electrical components, such as transformers and circuit breakers. Identify electrical problems with a variety of testing devices. Repair or replace wiring, equipment, or fixtures using hand tools and power tools.

Academic Qualification:

Exam Title	Concentration / Major	Institute	Result	Pass.Year	Duration
Bachelor in Engineering (BEngg)	Electrical & Electronic Engineering	European University of Bangladesh	3.47 out of 4	2018	4yrs
Diploma in Engineering	Electrical	Munshigonj Polytechnic Institute	3.17 out of 4	2014	4years
SSC	Business Studies	Sundulpur High School,	3.69 out of 5	2010	2 years

Training Summary:

Training Title	Topic	Institute	Country	Location	Year	Duration
1.CAD CAM	1.Mechanical Drafting Hand Drawing Isometric View & Orthographic View. 2. Solidworks- Sketch, Assembly, Surface,Mold Tools, SheetMetal,Weldments , Render, Simulation. I have been successfully completed my Practical Industrial Training Programmed in Transformer.	Bangladesh Engineering Industry Owners Association (BEIOA)	Bangladesh	Dhaka	2016	6 Month
2. The Industrial Attachment Training Program.		General Electrical & Manufacturing co. Ltd (GEMCO)	Bangladesh	North patenga, Chittagong- 4204	2014	

Career and Application Information:

Preferred Job Category: Garments/Textile
Looking For : Mid-Level Job
Available For : Full Time
Present Salary :Tk. 45000
Expected Salary :Tk. 60000

Specialization:

Fields of Specialization	Description
Electro Mechanical Work Electronics item production Garments Textile Computer Technician Electric Repairing Computer Networks	*** Well knowledge on: - a) Electric, Electronics and Mechanical troubleshooting techniques and repairing etc works. b) Switches - NPN, PNP, NO/NC and etc. switches. c) Sensors - Optical, Magnetic, Pressure, Water, Heat and etc. sensors. *** Skilled on PCB Card/Circuit Board repairing & connection: PCB card, CPU board, SMPS, Power board, Main board, XY board, Servo board, Logic board, Input module, Output module, Signal card,

Communication skills, Microcontroller Programming with respect to Program memory Process Automation.	Communication board, Display card, HMI, PLC device, Micro controller, Power card, knitting machine card, dying machine card, Lift CPU board, Sewing machine board, and non-sewing machines board, Inverter board, Converter board, Heat/Temperature controller, Timer controller, Dol-stater function, and other etc. Circuit board/card. *** Worked experience on electronic devices: - i) AC/DC motor control method. ii) Conveyor belt drive management system. iii) soft start method through Soft Starter or Inverter. iv) Refrigeration method and management system. v) Heat & Cool control method and management system. vi) Pneumatic type working management system. vii) Traction Batteries and Chargers (IPS). *** Worked experience on Garments machineries: - a) Sewing machines- Durkopp Adler, Juki, Brother, Suprim, Sunstar, Pegasus, Yamato, Kansai, Sing Ling, Taking, Jack, Siruba, Typical, Golden Wheel, Nissin, New-Tech, PG Century, Hams. ----- Sewing machine types- Single needle lock stitch machine, 1/2 needle chain stitch machine, Overlock machine, Vertical EDGE trimmer machine, Zig-zag machine, Flatlock flatbed, Cylinder bed machine, Flatlock feed up the arm machine, Feed of the arm machine, Flatlock flatbed flatseamer machine, Bartack machine, Button machine, Button hole machine, Shap teck machine, Multi needle chain stitch P.M.D machine, West band attaching machine, Flat bed belt loop attaching machine, Scloping machine, Blanket stitch machine, Shell stitch machine, Blind stitch machine, Pocket welting machine, Smoking machine, Pocket faceing machine, Automatic pocket setting machine, Pinpoint machine, Automatic polo placket machine, Automatic elastic band joining machine, b) Non-Sewing machines- Hashima, Oshima, Cintex, Reliant, Kaiyu, Jia Sheng, Winda, Ngai-Shing, PMM, Nisho, Reach, YKK,Amida, Prym, Shree, Unisun, MKJ, Fiblon, STC, Nissin, Grand, Namoto, Fabcare, Veit (Coolset), Fulton, UZU, Yalis, SafQ, SafeGurd, Eastman, KM, Dino, Svegea, Rorondi, Cutex, Kingtec, Zusun, VIM, Nown (Golden Master), Wintex, Richpeach, Priority, Ruk, Imada, Gbos, Bok, Yueming. ----- Non-Sewing machine types- Needle detector single/double head machine, Fusing press machine, Heat transfer press machine, Heat soluble machine, Snap attaching/fixing machine, Cloth cutting machine, Band knife cutting machine, Rip cutting machine, Re-coning machine, Thread winder machine, Plastic attacher machine, Straping machine, Vacum ironing table, Electric steam generator, Thread sucking machine, Fabric relaxing machine, Fabric inspection machine, Fabric Shrinking machine, Thread trimming machine, Spot removing machine, Hot air steam sealing machine, water lick testing machine, Velcro cutter machine, Lebel cutter machine, Seamless zipper heat pressing machine, Heat transfer auto positioning machine, Neck stretch measuring fixture machine, Pneumatic collar pressing machine, Automatic collar turning & Trimming machine, Thread dust cleaning machine, Super grinder machine, Pattern cutter machine, Laser cutting machine. *** worked experience on Textile machineries- Lisky, Pailung, Fukuhama, Goanglih, Brusher Printer and etc. *** Basic principal Knowledge on:- > SMPS & Linier Power management systems. > Programming (Micro C Pro) of PIC Microcontroller. > Programming of Arduino microcontroller AVR (Atmel). > Installation method VFI/VFD Inverter. > PLC (Logo & Micro) & HMI management system.
---	--

- > Analog modules input & output management system.
- > Digital modules input & output management system.
- > All Logic Gates control management system (AND, OR, NOT).

Extra-Curricular Activities:

SYNOPSIS: -

*** Total 10+ years practical experience on electric, electronics, mechanical, automation, heavy duty (expensive) sound systems, and home appliance etc. varies works since 2016.

** 8 Years: - practical experience on industrial machineries repair since 2018.

** Dedicate, hardworking individual with the intercommunication skills to organizations. Since my joining in maintenance sector, I am dealing various types of machineries as like sewing machine, snap attaching/fixing machine, fabrics inspection machine, heat transfer press machine, fusing press machine, needle detector machine, vacuum ironing table, thread sucker machine, more capable to meet any types of electric, electronics, mechanical, automation, heavy duty (expensive) sound systems, and home appliance etc varies works.

DUTIES - Areas of responsibility: -

- > I am able to communicate effectively, in German, English, and Bangla.
- > As an Executive-Electric & Electronics looking after all units including cho-sample to repair maintenance work of sewing machines, non-sewing machines.
- > Presently running machines are more than approx. 9,000 nos out of total 15,000 nos sewing, non-sewing machines in entire the group.
- > Supervise monitoring electric, electronics spare parts delivery from CHO-maintenance-store to factories as per them requirements.
- > Supervise, monitoring machine maintenance work through CHO based service engineer to factories as per their requirements.
- > Supervise, monitoring machine repairing works to factories maintenance personal from CHO.
- > We are providing technical support from CHO to each and every unit of factories as per their requirements.
- > I don't have worked experience on fabric spreading machine, auto cloth cutting machine, plotter machine, pattern cutter machine, offline ups and, online ups.
- > I don't have worked experience on this items/machines auto cloth cutting machine, plotter machine, pattern cutter machine, offline ups, and online ups.

Language Proficiency:

Language	Reading	Writing	Speaking
English	High	Medium	High
Bangla	High	High	High
German	Medium	Medium	Medium

THESIS TOPICS:

Smart and Unique Mini-grid Infrastructure for Solar and Wind Energy.

01. Smart and Unique Mini-grid Infrastructure for Solar and Wind Energy.
02. System Design and Planning
- 03 Mini-Grid Supporting infrastructure and Accessories
- 04 Simulations and Result

Electrical Supervisor License

Issued by: Electricity Licensing Board, Bangladesh

License No.: S20210004962

Category: ABC

Validity: 10 Jan 2023 – 09 Jan 2030

Authorized Classes: A, B & C Electrical Installation Works

Personal Details:

Father's Name: Md.Samsul Haque Chowdhury

Mother's Name: Nurjahan Begum

Date of birth: 15, November 1992

Sex: Male

Blood Group: 'A' (+ve)

Religion: Islam

Marital Status: Married

Married Permanent Address: Bragoali. Chargoali 3517, Daudkandi, Comilla.

National ID card No: 19921913694000025

Reference (s):**Eng. Niher Ronjon Das**

B.sc. in Mechanical Engineering (BUET).

Ministry of Education, Bangladesh

Vice-principal and Principal in Charge

Mobile: 01817-046134

E-mail: nrdas111@yahoo.com

Md: Mahasin Ali

Coordinator (Job Replacement & Database)

Light Engineering Training Institute (BLETI)

Cell No: 01623450000
